

Author Jennifer Marcenelle will show your audience how to be the Super healers of their own lives- Live Happier, Healthier and More Whole, TODAY!

Jennifer Marcenelle, MBA, BSN, RN- is a woman who knows exactly what it feels like to be the super-healer of her own life to the point of absolute exhaustion, and self-abasement. Her incredible story of finding self, and discovering her “super-powers” will transform nurses, and those in the healing industry- who similarly are struggling with their overwhelming journey. Jennifer’s power presentations are entertaining, inspirational, humorous and transformational. Her new book, ***Super-Healer You! How to Turn Your Challenges into Super Powers***, will be available nationwide fall of 2016.

Story Ideas:

- *Be the Iron Man of your Own Life- 3 TODAY power- tools to strengthen your core self
