

Jennifer Marcenelle, MBA, BSN, RN
Nurse, Executive, Author, Speaker

Jennifer is a versatile healthcare expert with media experience who provides audiences with bite-sized, real-life healing tips rather than theoretical information that makes people tune out. Her healing tips have reached hundreds of people through print, video, radio and online.

CREDENTIALS: As 30+ year healthcare veteran who began her healthcare career at the age of 15 by feeding people in the nursing home, worked her way up to critical care nursing, and scientific laboratory equipment sales she has learned to navigate and thrive in the tumultuous healthcare environment. In her up-coming book "[Super-Healer You! From Burn Out to Burn Bright](#)" she provides real-life examples and creative tools to not only survive, but thrive after burnout.

AVAILABILITY: Houston, Texas, nationwide by arrangement, and via telephone and SKYPE.
